Commissioner for Patents

Sir:

Attached is a copy of one sheet of drawings, containing a proposed correction to Figure 6, shown in red. The proposed change corrects a spelling error. In particular the proposed change corrects the spelling of the word **delivered** from **delived**. Support for this proposed correction is found in paragraph 0166 of the Specification. The proposed change adds no new matter to this application. Applicants request that the Examiner approve the proposed correction. Applicants have made the correction to the drawing sheet containing Figure 6 in the formal drawings, which are filed herewith.
